"WE WILL HAVE DINGLEY WINS AUTO RACE; NEW RECORD ON VANDERBILT COURSE FUSION MEN GERARD SURE IN 24 HOURS"

Bronx Detectives Say They Will Capture the Fugitive in That Time.

HUNT GETTING CLOSE.

Missing Man Known to Be in One of Three Places, Ail Closely Guarded.

have this man Gerard within car, came within an ace of the mos twenty-four hours. I never was surer serious smashup of the day. During of anything than I am of this. I have the third lap, which he negotiated at top n force of men working in the Spitzen- speed, he lost control of his machine of berg Mountains, near Peekskill, and I have forces working at two other points. This man is in one of these three places way and veered off onto the turf,

This statement was made to-day by and a clump of timber and going half etective-Sergeant Sam Price, of the way over into a ditch. Dingley got the Bronx Detective Bureau, who is conducting sine search for the suspected naurderer of Augusta Pfeiffer. In addition, Detective Price said there is a dition, Detective Price said there is a fourth crime which he believes he can over on him and his mechanic. ty at the door of the missing coal The 90-horse power Pope-Tolego, driven wagon driver, but what it is he would not say. He has already found evidence which he believes connects the dence which he believes connects the while passing East Norwick on the second honors after the first lap, but while passing East Norwick on the second land with last control of his machine. suspect with the Walkill River mys- ond lap Lytle lost control of his machine sery and the Private Hammond murder. and shot off the roadway into a tree. Gerard, the police believe, was directly concerned in at least two other mystericus murders. When his room was searched clippings from newspapers de-scribing the murder of Elizabeth Davis, found in the Walkill River, and of John big White steamer out of the contest Hammond, a Fort Schuyler soldier, occurred right at the start, in view of

were found.

Capt. Price has learned that Gerard was away from Westchester for several weeks at the time the Davis girl was murdered, and Mrs. Mahon and Edward Harned, Gerard's only intimate friend, remember that he read daily the Walkill mystery clippings when he re-Walkill mystery clippings when he re-up too quickly and in so doing had turned home after his long absence. He broken the main toggie, the universal seemed afraid and did not go out of joint in the driving shaft. He borrowed the house until after dark for weeks. Hammond's body was found on July 18, 1901, and Gerard disappeared after resumed the race after a delay of twenty the account of its discovery in ty-mine minutes. But the borrowed tog-

TEUTONIC GOT JOKE ON CELTIC

Beat Her Sister Ship in Ocean Race, and Gay Messages Are Exchanged.

The White Star liner Teutonic arrived also the first to pass the grand-stand in port to-day, after having beaten her for the second round, and, as he swept sister ship, the Celtic, out of sight in the by a like a gray streak, a great shout sailed last Wednesday week, but a break of a crank shaft pin delayed the sailing until Friday of that week.

Online to the ocean. She was to have sailed last Wednesday week, but a completed the round of 28.2 miles in 25m. and 28s.. a sensational performance considering the nature of the Owing to the repairs the ship was forced to go slow on Sunday and Monday. On Sunday she went for eight hours at half speed and a good part of Monday at the same speed. The machinery then got in working order and she travelled at a fast clip for the rest of the distance.

On Sunday, while going at half speed, H. H. Lytle, the famous long-distance the Celtic, which had started after the racer, came down the stretch neck and Teutonic, churned past her. E. H. Murray, a passenger on the Teutonic, re-ceived a wireless from a friend, Sir Ernest Corcoran, on the Celtic. Sir Ernest "kidded" Mr. Murray on his being left. Mr. Murray on his being left. and asked in the message if Mr. Murray 6.16.44.

wanted a tow line.

Mr. Murray reponded in the same vein, saying: "Never mind; we are going under one engine. If we need heip, will let you know."

On Wednesday when the Teutonic got going as full speed again she caught up with the Celtic and passed her. Then Mr. Murray got back at his friend:
"How about the tow line." wanted a tow line.

his friend:
"How about the tow line now?" he seked Sir Ernest in a wireless.
"Drinks are on me," the Baronet is said to have sent back. The Celtic with the joking Baronet will not be in until to-night, or possibly to-morrow

CROSSED OCEAN. FINDS SON DEAD.

Must Go Bark to Germany.

Hanauer, for she at once learned that her only son. Frank, whom she had journeyed all the way from Rhein, Germany, to meet was dead and that she must return to the Fatherland.

Frank Hanauer came to this country several years ago and settled in Shicago. He did well, and sent his sayings to his old mother that she might join him here.

was No. 8, the Thomas car, passing the grand-stand at 6.14.57, elapsed time BOYS BLOW UP 20.53 minutes. Then came the first sensational feature of the race at the AND ROB SAFE OF EMPLOYER if it had dropped anchor. Both No. 7

Edward L. Diamond, who keeps a Little Martel Block Run Down 28.44 minutes and the Royal Tourist in Sixth Williamsburg, was street. 34.44 minutes. As they crashed past the awakened early to-day by hearing a stand and shot over the railroad cross-ing a train hammered down the rails, but was flagged in time to avoid dis-aster. Thousands held their breath as thay heard the rumbling trains and factory got up and went to the window they heard the rumbling train as it neared the grade crossing. The seventh car to negotiate the first circuit was No. 9, the Franklin car, driven by At 6 o'cloop he went to the factory

was No. 9, the Franklin car, driven by W. F. Winchester. She passed the stand at 6.22.42; elapsed time. 36.46.

B. F. Dingley, in the first Pope-Toledo starter was running away from his competitors on the first tun. His liver whizsed by the stand arst on the second circuit at 6.31.06. No. 2s elapsed time for the second circuit at 6.31.06. No. 2s elapsed time for the second circuit was a little more than thrity-two minutes faster than her first run. Her time for two circuits, covering 56.2s miles, was 59.05. At 6.20 Lytle, the favorite, reported from East Norwich that he had broken the frame of the car, putting him out of the running. eral holes had been drilled through the top and a charge of dynamite exploded in them. The whole top of the safe had been blown away and \$800 worth of jewelry and some money was missing.

Diamond went to the Bedford Avenue Station-House and notified Capt. Gellagher. The latter looked over the job and said it was evidently the work of experts. By this time Diamond's employees had reached the factory, and Gallagher asked if any were missing. The candyman looked over the force and said three boys had not appeared. They were John Rogan, nineteen years old, of No. 41% Meserole street, and Charles and John Brady, twins, fifteen years old, of No. 316 Ainsile s-reet. Gallagher didn't think it possible that such yourgsters could have done the Job, but her, went to the home of the Brady twins and found Charles there.

In a very few minutes he had a confession out of Charles, involving his brother and Rogan. The two latter were promptly arrested.

The boys said that they had alanced the reachery for assert laye and that eral holes had been drilled through the The locomobile with Joe Tracy at the helm did some great speeding on the second turn, overhauling and leaving in the lurch No. 1, the Haynes car, and passing the starting point for her second circuit at 6.6,6. Her elapsed time was 1.02.40. She was gaining on the leaders.

The White atomics of the leaders.
